Issued in compliance with Order in C.04-G-0463 dated November 29, 2005

**SERVICE CLASSIFICATION NO. 11** (Cont'd)

**FIRM TRANSPORTATION - Core** (Cont'd)

**SPECIAL PROVISIONS** (Cont'd)

- 11.4 Not in use.
- 11.5 During the period November 1 through March 31, the MDQ, as set forth on a customer's service agreement, will be reset each time a customer's usage exceeds the MDQ on five separate days. The average of the five highest demands will establish the new MDQ which will be effective on the first day of the next calendar month. If a customer's usage exceeds the MDQ in effect on November 1 on five or more separate days during the period November 1 through March 31, the average of the five highest demands will establish the new MDQ which will be effective April 1.
- 11.6 All customers taking service under this service classification are required to agree to have automated meter recording equipment furnished and installed by the Company at the customer's expense. The provisions included in this service classification require daily monitoring; therefore, all customers operating under this service are required to have installed automated meter recording equipment. The Customer agrees to prepay, to the Company, the cost of the automated meter recording equipment. In addition, the Customer shall furnish an electrical supply and a phone line necessary for the operation of the equipment, in an area which is acceptable to the Company.
