##### E. Termination of Service (Cont'd.)

##### 1. Notice of Termination – Time (Cont'd.)

##### (c) Additional Non-Residential Conditions for Termination:

- 1) Except in the case of tampered equipment as provided by paragraph (2) of this section and Emergency Disconnections provided by section 4. E. 11 the Corporation will only terminate service to a customer if it provides advance final notice of the termination and fulfills all other requirements of this section when the customer:
  - (i) fails to pay any tariff charge due on the customer's account for which a written bill itemizing the charge, pursuant to applicable billing provisions of the Public Service Commission has been sent, except for charges that reflect service used more than six years prior to the time the bill first containing these charges was rendered, which charges must be pursued by other methods of collection;
  - (ii) fails to pay amounts due under a deferred payment agreement;
  - (iii) fails to pay a lawfully required security deposit in accordance with Section 4.L. of this tariff;
  - (iv) fails to provide reasonable access to the premises for necessary or proper purposes in connection with rendering of service, including meter installation, reading or testing, or the maintenance, or removal, or securing, of the utility's property, and the customer has not advised the utility that the customer does not and who does have control over access; or
  - (v) fails to comply with a provision of the Corporation's tariff which permits the utility to refuse to supply or to terminate service
