b. Measured Rate Basic Business Line Service

1. Description

Calls to points within the local exchange area are charged on the basis of the duration of completed calls originating from the customer's service in addition to a base monthly charge. Local calling areas are as specified in Section 9.

2. Recurring and Nonrecurring Charges

Charges for each Measured Rate Service line include a monthly recurring Base Service Charge and usage charges for completed calls originated from the customer's line based on the duration of calls during the billing period. In addition to the nonrecurring charges listed below, service order charges apply as described in Section 3 of this tariff. In certain circumstances, service to customers may require the use of a link and/or number portability arrangements provided by the Incumbent Local Exchange Carrier. In such circumstances, the monthly recurring charge to the customer will be the greater of the company's Base Service Line charge set forth below or the charge to the company by the Incumbent Local Exchange Carrier for the link used to serve the customer. If the customer is served through a Number Portability Arrangement, the monthly charge to the customer will be increased by the applicable charge from the Incumbent Local Exchange Carrier to the Company of the Number Portability Arrangement.
