Initial Effective Date: 10/9/2003

Section: 7 Leaf: 7
Revision: 0

Section 7 - SPECIAL SERVICES AND PROGRAMS (Cont'd)

7.5 UNIVERSAL EMERGENCY TELEPHONE NUMBER SERVICE (Cont'd)

7.5.2 Regulations (Cont'd)

- d. For 9-1-1 service interruptions the Company has established Primary and Final routing for calls to the PSAP. The Company, through its intercarrier interconnection agreements, has established direct interconnection trunking facilities with the primary incumbent local exchange carrier serving the applicable territory. These trunking facilities carrying 9-1-1 traffic are directly connected with incumbent local exchange carrier's tandem switching facilities. The traffic is then routed by either tandem to the PSAP. If the Primary route is busy or out of service, the calls will route to an announcement. The announcement will state that "All Company circuits are busy now. Please hang up and try your call again."
- e. The Company will abide by all terms and conditions regarding MSAG and the provision of 9-1-1 services required pursuant to the Commission's proceeding in any docket or dockets relating to this matter and with the entity's (county or municipality that is responsible under the laws of the jurisdiction) protocols for 911 service provision.
- f. The Company's liability and its obligation to furnish 9-1-1/E9-1-1 Service are limited as described by Company liability and indemnification clauses spelled out in Section 2.1 of this tariff (specifically 2.1.2) incorporated herein by reference and the laws of the state in which this tariff applies.
- g. The Company is not an insurer of persons or property. The liability of the Company to the subscriber, the customer or any other person for a loss or injury suffered or a liability incurred by any or all of them as a result of a failure in the 9-1-1/E9-1-1 Service shall be limited in accordance with the provisions of Section 2.1.2 and Section 2.11 which are incorporated herein by reference. The subscriber or customer and any other persons who may be affected by a failure of the 9-1-1/E9-1-1 Service are advised that they should obtain insurance and take all other steps necessary to protect themselves against loss or injury which they may suffer or liability which they may incur as a result of failure of 9-1-1/E9-1-1 Service.
