If you are applying for residential rates as a religious organization, community residence, or a veteran's organization:

Certain religious organizations, community residences, as defined in the Mental Hygiene Law, and posts or halls, owned or leased by a not-for-profit corporation that is a veterans' organization, **may** have the choice of being billed under either residential rates or commercial rates.

For most customers, if you qualify, residential rates are more economical. To receive service under residential rates, you must document your eligibility by attaching the requested information to the application For Service For Non-Residential Customers. If you submit sufficient documentation to Niagara Mohawk at a later date, the account will be transferred to residential rates as of the date we receive the documents.

If this is a religious organization, you are eligible for residential rates if all of the following apply: the premises are used primarily and principally for religious purposes, (e.g. for divine worship or other religious observances) or is a school operated by a religious organization with required religious instruction, notwithstanding that secular subjects are taught at such school. To qualify for residential rates, you must provide documentation of your eligibility. Examples of acceptable proof include, but are not limited to: Certificate of Incorporation under the NYS Religious Corporations Law or Education Law; religious charter; letter from a recognized "parent" religious organization; religious designation from the IRS or other governmental agency; or other reasonable documentation that shows your group is organized, in good faith, for religious purposes and that the premises are used primarily and principally for religious purposes. Niagara Mohawk reserves the right to request additional documentation in support of a residential rate. If you apply for and are denied residential rates, you may request, in writing, that we inspect the premises and review the rate determination in light of the information obtained from the inspection. You may also appeal the rate classification to the Public Service Commission.

If this is a community residence (as defined in subdivisions 28, 28a or 28b of Section 1.03 of the Mental Hygiene Law), you are eligible for residential rates if the facility is operated by a not-for-profit corporation and is either (1) a "supervised living facility" (as defined in the Mental Hygiene Law) providing twenty-four hour per day on-site supervision and living accommodations for 14 or fewer residents; or (2) a "supportive living facility" (as defined in the Mental Hygiene Law) providing supervised independent living without twenty-four hour per day on-site supervision. To qualify for residential rates, you must document your eligibility by providing a copy of your Certificate of Incorporation under the Not-For-Profit Corporation Law and license from the NYS Office of Mental Hygiene or the NYS Office of Mental Retardation and Developmental Disabilities. NOTE: Usage must be primarily and principally in connection with a community residence.

If this is a veterans' organization, you are eligible for residential rates under Section 76 of Public Service Law, if the following apply: the premises is a post or hall owned or leased by a not-for-profit veterans' organization. To qualify for residential rates, eligible customers must submit certification of their status as an organization exempt under IRC Section 501(c) (19).
