

PSC NY Tariff No. 5 – Telephone
PAETEC Communications, Inc.
Initial Effective Date: 10/10/2003

Section: 2 Leaf: 1
Revision: 0

SECTION 2. RULES AND REGULATIONS

2.1 Application of Tariff

- 2.1.1 This tariff contains the regulations and rates applicable to intrastate telecommunications services provided by Carrier for telecommunications between points within the State of New York. Carrier's services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff.
- 2.1.2 The rates and regulations contained in this tariff apply only to the services furnished by Carrier and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carrier for use in accessing the services of Carrier.
- 2.1.3 The Subscriber is entitled to limit the use of Carrier's services by Users at the Subscriber's facilities, and may use other common carriers in addition to or in lieu of Carrier.
- 2.1.4 At the option of the Company, service may be offered on a contract basis to meet specialized requirements of the Customer not contemplated in this tariff as approved by the New York Public Service Commission. The terms of each contract shall be mutually agreed upon between the Customer and Company and may include discounts off of rates contained herein, waiver of recurring or nonrecurring charges, charges for specially designed and constructed services not contained in the Company's general service offerings, or other customized features. The terms of the contract may be based partially or completely on the term and volume commitment, type of originating or terminating access, mixture of services or other distinguishing features. Service shall be available to all similarly situated Customers for a fixed period of time following the initial offering for the first contract Customer as specific in each individual contract.
