- (c) terminated for two (2) or more independent reasons and has satisfied all conditions for reconnection. The reconnection will be accomplished within the time period applicable to the last condition satisfied; or
 - (d) at the direction of the PSC or its designee, which direction may occur only where the termination was in error, or the Customer has filed a complaint with the PSC and has either paid in full the undisputed amount, or has entered into a DPA and has paid the required downpayment.
- (5) The Company may make a charge for reconnection where it has become necessary to terminate the service for non-payment of bills or any other infringement of the Company's rules governing service.

Payment may be required in advance for non-residential customers. Residential customers may pay the re-connection fee in advance or have it included as part of the re-payment plan.
