SERVICE CONNECTION

R. TELECOMMUNICATIONS SERVICE PRIORITY (cont'd)

6. Rates and Charges (cont'd)

- b. A one-time charge, based on cost, for the initial establishment of or change in TSP status by the Company will be billed to the customer. In addition, normal connection charges will apply.
- c. In subscribing to TSP, the customer recognizes that quoting charges and obtaining customer permission to proceed with service installation or restoration would delay the installation or restoration process and grants the Company the right to assess additional charges, when applicable, after the installation or restoration has been completed. When possible, the Company will attempt to provide an estimate to the customer of the additional charges in advance of the work.
- d. Facilities required by the Company for its internal operations are exempt from the TSP rules.
