CONSTRUCTION CHARGES

G. POLE ATTACHMENTS (cont'd)

1. Regulations (cont'd)
 - b. Such pole attachments shall be negotiated between the utility and the Company upon request.
 - c. The Company reserves the right to deny attachment if general company specifications are not met or if sufficient space is not available.
2. Rates for each pole attachment are on an annual basis and are listed in the concurring Company's tariff, Section 3, Group 3.

H. CANCELLATION OR CHANGE OF APPLICATION

When an application for facilities and service is canceled in whole or in part prior to completion of the construction, the applicant is required to pay to the Company, upon demand, the total costs and expenses in connection with providing and removing such facilities involved not to exceed the applicable minimum and termination charges specified in this Tariff.

When a customer requests a change in the location of all or part of the facilities covered by the customer's application prior to completion of the construction thereof, the customer is required to pay the difference between the total costs and expenses incurred by the Company in completing the construction and that which would have been incurred had the final location of facilities been specified initially in the application.

When an application is canceled in whole or in part after completion of the construction but prior to the establishment of service the customer is required to pay to the Company, upon demand, the applicable connection and construction charges as well as the monthly rate, as specified in this Tariff, for the service for the minimum service period.
