

PSC No:4 Gas
Corning Natural Gas Corporation
Initial Effective Date: 10/01/2003

Leaf: 194
Revision: 0
Superseding Revision:

At the end of each twelve-month period, the minimum annual bill shall be calculated. If the minimum annual bill exceeds the actual amount billed for the twelve-month period, the difference between such minimum annual bill and actual amounts billed shall be assessed in the following month.

TERM:

The initial term shall be five years from the date of commencement of service and successive annual terms thereafter. Service may be terminated by the Company or the customer upon ninety days prior notice. If service is terminated on a date other than an annual anniversary of the date service commenced, the customer will be responsible for payment of the Minimum Annual Bill through the next anniversary of the date service commenced.

TERMS OF PAYMENT:

Bills are due when rendered, subject to a late payment charge in accordance with the provisions of the General Information Section of this Schedule.

SPECIAL PROVISIONS:

(A) Heat Content

The conversion of metered volumes in Mcfs to Dths shall be at the Company's weighted daily average heat content or actual heat content recorded at the customer's facility.

(B) Transportation Volumes

Prior to the commencement of service hereunder, the customer shall provide to the Company information necessary to ensure the Company will be able to provide the service requested. Such information shall include.

- (1) the name of the pipeline company that will deliver the customer's gas to the Company;
- (2) the maximum annual volume the customer requests the Company to transport;
- (3) the maximum daily and hourly volumes to be transported;
