Service Classification No. 7

Applicable to the Use of Service for:

Firm Transportation Service applicable to retail customers served by Service Classification No. 2 to P.S.C. No. 4 - Gas (hereinafter called the "Customer") when Corning Natural Gas Corporation (hereinafter called the "Company") has facilities available and adequate for the load. Service under this Service Classification must be requested by a retail customer who has contracted to purchase gas from an alternate source. Such customers shall be limited to those requiring transportation for a minimum volume of 25,000 Mcf annually.

Character of Service:

Firm transportation of end-use customer owned pipeline quality natural gas delivered to the customer's existing service point. The Company will control the dispatch of such gas, and dispatch will be provided as requested by the customer, except the quantity of gas delivered will be conditioned upon the availability of the Company's capacity to serve such customers.

Rate:

- (A) The rate for gas delivered under this rate classification during each month shall be \$0.5270 per Mcf plus the applicable revenue taxes.
