

PSC No:4 Gas
Corning Natural Gas Corporation
Initial Effective Date: 10/01/2003

Leaf: 170
Revision: 0
Superseding Revision:

The quantity of gas to be received by the Company for ultimate delivery to the customer shall include the net loss allowance (unaccounted for) factor approved by the Public Service Commission from time to time.

Terms of Payment:

Bills are rendered at the above Rate. The Late Payment charge will be due if payment is not made on or before the date specified on the bill in accordance with the provisions of General Information Rule 12.C. In the event of non-payment, the Company shall have the right to terminate the service agreement upon 7 days written notice.

Term:

The term shall be defined within the written service agreement and mutually agreed upon by the Customer and the Corporation. The initial term shall be for a period of not less than 12 months and continue from month to month thereafter unless terminated by either party with 90 days written notice.

General Terms and Conditions:

The General Information Rules of the Company's rates and tariffs are applicable to all information not specifically covered within this Service Classification, and are hereby made a part thereof.

Specific Provisions:

1. A written agreement shall be signed by both parties in the form set forth in the General Information section of the Company's tariff.
2. Aggregation of usages at several different locations by a single customer into a single bill in order to receive higher volume block rates is not allowed.
