the party holding the funds determined to be due the other party.

2. Additional customer information provided in response to requests for more data than routinely available under Section 35.D, "Customer Information".
3. Special meter reading charges, as described under Section 35.C, "Switching Requirements".
4. The costs associated with a Retail Supplier initiated suspension of a consolidated bill customer's delivery service.
5. Other rates and charges approved by the Public Service Commission and set forth in Central Hudson's tariff, including, but not limited to, transportation or distribution rates, miscellaneous surcharges and taxes.

N. INCREASE IN RATES AND CHARGES

The rates and charges applicable to Retail Suppliers are increased pursuant to General Information Section 30 to reflect the tax rate applicable at the Central Hudson tie point.

O. CREDITWORTHINESS

(a) Applicability

Creditworthiness standards apply to each individual Retail Supplier selling electricity to retail customers; and, to retail customers getting their own energy supplies (Direct Customers). These standards do not apply in circumstances involving credit risks of the Independent System Operator, any applicable Power Exchange, or wholesale energy suppliers. Central Hudson requires no security in situations where it bills customers for a Retail Supplier and retains funds so collected to offset other utility charges.
