3. General Regulations

3.1 Service Description

Intrastate Long Distance Message Telecommunications Service ("LDMTS") is offered to residential and business Customers of the Company to provide direct dialed and operator assisted calls placed between points in the State of New York. The Company provides switched long distance network services for voice grade and low speed dial-up data transmission services. The Company does not undertake to transmit messages but furnishes the use of its services to its Customers for communications. All services are provided subject to the terms and conditions set out in this tariff.

3.2 Interconnection with Other Common Carriers

The Company reserves the right to interconnect its services with those of any Other Common Carrier, Local Exchange Carrier, or alternate access provider of its election, and to utilize such services concurrently with its own services for the provision of services offered herein.

3.3 Availability of Services

3.3.1 Services are furnished subject to the availability of the Service components required. The Company will: (1) determine which of those components shall be used and (2) make modifications to those components at its option.

3.3.2 Services are available twenty-four hours per day, seven days per week.
