2. Definitions (Cont'd)

Personal Identification Numbers (PINS) - Code numbers used in connection with designated telephone numbers which allow calls to be categorized for various applications.

Person-to-Person Calls - An Operator Assisted Call which is placed under the stipulation that the caller will speak only to a specific called party or to a specified extension or office. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all calls will be treated as Operator Station Calls.

Points of Presence - The sites where the Company provides a network interface with facilities provided by Other Common Carriers, Local Exchange Carriers or Customers for access to the Company's network.

Premises - A building or buildings on contiguous property (except railroad rights-of-way, etc.) not separated by a public street or highway.

Presubscribed Provider of Operator Services - The intrastate provider of operator services to which the consumer is connected when the consumer places a call using a provider of operator services without dialing an access code.

P.S.C. - New York Public Service Commission.
