

SECTION 1 - GENERAL REGULATIONS *continued*

1.2 DEFINITIONS *continued*

Feature Group A or B Service: Toll service provided when a customer accesses the Company's terminal over Feature Group A or Feature Group B access service provided by a local exchange company wherein seven digits plus a customer identification code are transmitted from the customer's premise.

Feature Group D Service: Toll service provided when a customer accesses the Company's terminal over Feature Group D "equal access" service provided by a local exchange company, wherein Automatic Number Identification is passed by the local exchange company to the Company.

Home Area: The local calling area associated with the switch accessed.

LATA (Local Access and Transport Area): A group of telephone exchanges within which FCC rules allow local exchange companies to carry toll telephone calls.

Local Call: Any call, which if placed by a customer over the facilities of a local exchange telephone company, would not be rated as a toll call.

Minimum Service Period: Minimum service period is 30 days.

Point of Destination: The exchange code and telephone number called in New York other than the point of origination.

Point of Origination: The Company's switch location accessed by the customer for the purpose of making a call using Company's service.

Primary Calling Number: The telephone number assigned to a customer by the local exchange telephone company, which shall be geographically associated with the location of the local exchange central office associated with that number.
