SECTION II - SERVICE DESCRIPTIONS *continued*

2.5 SERVICE OPTIONS *continued*

2.5.14 Edge

Edge 1+ is a two-way switched access service offered only in conjunction with Carrier's interstate Edge 1+ service. Edge provides customers with mileage based per minute rates for both their inbound (800) and outbound (1+) usage. Edge customers may originate outbound intrastate calls by dialing 1 plus an area code and the desired telephone number, or by dialing 10XXX and then the area code and the desired telephone number. Inbound calls are originated to the Edge customer's designated location by users dialing 1+ the Edge customer's 800 telephone number.

Edge calls are based on length of call, the distance between the originating and terminating locations of each call, and time of day. The customer's total monthly use of Edge service is charged at the applicable service hours and rates per minute set forth in the Flexible Rate Schedule. Edge calls are billed in six second increments, with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Edge 1+ customers who make long distance calls through Access (Travel) are billed in six second increments with a thirty second minimum at the rates set forth in the Flexible Rate Schedule of the tariff.

Edge 1+ customers will receive the following discount credits on qualifying usage: 1) a discount credit of 10% will be applied to all outbound Edge 1+ calls made to a single area code with highest total domestic usage during a billing cycle; and 2) a discount credit of 10% will be applied to all outbound Edge 1+ calls between telephone numbers (ANIs) on the same Carrier account.

Calls made to directory assistance telephone numbers are charged on a per call basis.

2.5.15 Frontier Community Choice

Frontier Community Choice (FCC) is a mileage sensitive product carrying differing rates by rate band, length of contract term, and level of services billed by the Company. FCC is offered only in conjunction with carrier's interstate FCC service, wherein customer are provided with both inbound (8XX) and outbound (1+) service. Customers canceling service before the contract has expired will be required to pay a cancellation fee equal to the minimum monthly billing amount for the remaining life of the contract.
