SECTION II - SERVICE DESCRIPTIONS *continued*

2.5 SERVICE OPTIONS *continued*

2.5.5 Frontier Exact Rate

Frontier Exact Rate is a specialized telecommunications service providing a uniform rating structure for calls that originate within the United States.

2.5.6 Rapid Connect

Rapid Connect rates are applicable to calls made from a voice mail platform with boomerang service where the voice mail platform actually places the call. This service utilizes a uniform rating structure for calls that originate within the United States. This service is available where an appropriate billing and collections agreement exists with a local exchange carrier that has the appropriate voicemail platform availability.

2.5.7 Frontier XL

Frontier XL is a banded rate product carrying differing rates by rate band, length of contract term and level of services billed by the Company and the participating local exchange carrier. Customers canceling the service before the contract has expired will be required to pay a cancellation fee equal to the minimum monthly billing amount for the remaining life of the contract. All calls are subject to a minimum billing of 18 seconds, with an additional billing increment of 6 seconds. Charges will be rounded to the nearest cent on a per call basis. This plan is available to Customers of the following participating local exchange carriers with whom the Company has a carrier billing and collection agreement: Frontier Communications of Rochester, Inc.
