G. Point To Point Service *continued*

Point To Point Service may be obtained on a fixed term basis for a period of one (1), two (2), three (3), four (4), or five (5) years. A specified discount corresponding to the length of the term commitment, that will apply for the life of the plan, will be applied to the Inter-Office Channel (IOC) portion of the charges.

If a Customer terminates service prior to completion of the term commitment, the Customer will pay termination charges for any unexpired portion of the term remaining after the forty-five (45) day notice period required for cancellation of Point to Point Service. The Customer shall be liable for termination charges equal to one hundred percent (100%) of the monthly recurring IOC charges for any remaining portion of the first year of the term, and twenty five percent (25%) of the IOC charge for the remainder of the subsequent years of the term. In addition, the Customer will be liable for any installation charges that were previously waived. A Customer may terminate a Fixed Term Plan prior to its expiration without liability if:

1. a revision in the tariff results in a higher IOC rate for the Customer and the Customer provides written notice to discontinue the plan within forty-five (45) days of notification of such increase; or
2. the Customer replaces the existing arrangement with a new arrangement which expires on or after the expiration date of the existing plan.

H. Move Charge

A move charge will apply to Private Line Services when the physical location of the dedicated circuit or a central office location is changed at the Customer's request. A move of this type will be considered a disconnection of service at one location and a reinstallation of the same service at the new location. The Customer will be responsible for the entire reinstallation charge. This type of move will not constitute a break in the original term agreement.
