SECTION II - SERVICE DESCRIPTIONS *continued*

2.5 SERVICE OPTIONS *continued*

2.5.22 Incentive Plan *continued*

Incentive Plan switched and dedicated term plans will automatically renew for successive twelve-month periods unless the Customer notifies the Carrier in writing before the end of the current term of their intention to terminate the agreement at the completion of the term. The Carrier will notify the Customer at least 60 days prior to the end of their current term that the end of the term is approaching. Incentive Plan Customers electing to continue receiving service without renewing their current term commitment will automatically revert to the respective switched or dedicated non-discounted current tariffed base rate. A monthly termination fee, equal to the MMUL of the term plan that the Incentive Plan Customer is subscribing to, will be assessed per month for each of the remaining months in the current term after an Incentive Plan Customer terminates service prior to the completion of the full term commitment.

Incentive Plan Customers will also be eligible for the PriorityPlan Optional Calling Card Service at the rates set forth in the Flexible Rate Schedule. Optional Calling Card calls are billed in six second increments with a thirty-second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

2.5.23 Frontier Virtual Private Network

Frontier Voice Virtual Private Network ("VPN") provides the Customer the functionality and capabilities of a private network through the use of shared and/or dedicated transmission facilities, which permits the Customer to establish a communications path between two Customer locations by using a Customer-defined Private Numbering Plan ("PNP"). The following call types are available to Frontier Voice VPN Customers:

- A. Dedicated to Dedicated: provides PNP type calls between locations linked by dedicated access. All calls are billed in six second increments with a six second minimum for each call. Any fraction of an increment will round up to the next whole increment.
