A subscriber to 800 Service has the option of having one or two Service Groups on the same premises with Service Arrangement A.

Two Service Groups would permit a subscriber, through advertising or directory listings, to direct.

- (1) IntraLATA usage to an 800 Service number associated with Service Group, and
- (2) IntraLATA usage to an 800 Service number associated with the other Service Group.

Call incorrectly placed to the wrong number would be billed at the appropriate WATS rates for that group.

* The Surcharge for State Gross Income and Earnings Taxes applies to these rates. See Section 10 of this Tariff.
