SECTION 12 - INTRALATA TOLL MESSAGE TELECOMMUNICATIONS SERVICE

E. WIDE AREA TELEPHONE SERVICE (Continued)

5. Class of Service

- a. Outward WATS or 800 Service furnished by the Telephone Company permits calling between intraLATA points in New York State and a WATS access line at rates based on the accumulated time per month. Accumulated time is based on a minimum average of one minute per call. Time is charged in full hours with any remaining fraction over 1/2 hour treated as a full hour.
- b. Charges for calls for Directory Assistance placed over Outward WATS access lines are set forth in Section 6 of this tariff.

6. Allowance For Interruptions

- a. Interruptions to the access line of 24 consecutive hours or more, not due to the negligence of the subscriber, are credited at one-thirtieth of the monthly charge for the access line for each 24 hours or major fraction thereof of interruption.
- b. Message toll telephone service furnished at a subscriber's request when his Outward WATS is interrupted is charged for at the message toll telephone rates as set forth in this Tariff, and amendments thereto and successive issues thereof.

7. Continuity of Service

In case of connection of a WATS access line for a subscriber at a location where WATS has been canceled by the subscriber or end user less than two weeks previous to the date of connection, charges for the service so established will commence one day following the cancellation date of the prior service.

8. An installation charge applies to each access line listed in 9. below, except that no installation charge applies where the service is connected subject to the provisions of paragraph 7 preceding.

Installation charge for each two-wire access line	\$102.00
Installation charge for each four-wire access line	\$211.10
