SCHEDULE A

GAS SERVICE-POINT DISTRIBUTION SERVICE (Cont'd)

SPECIAL PROVISIONS (Cont'd):

A. Service Classification No. 3 - Large General Service (Cont'd)

5. **Large General Service Distribution Rate Adjustment Statement**

Not less than three days prior to the first day of each billing period, the Distribution Provider shall file with the Public Service Commission a Statement showing the Service Classification No. 3 charges listed in items i) through iv) of Special Provision A.4, above. The Statement will also list the charges per therm for Daily Balancing Service, and CSC Enhanced Daily Balancing Service. Such charges may be combined for billing purposes.

6. **Additional Facilities**

The Distribution Customer shall pay the installed costs and expenses of additional facilities which the Distribution Provider deems necessary to provide service under this service classification. Notwithstanding such payment, all such facilities shall remain the sole property of the Distribution Provider. Automated meter reading equipment is required for this Service Classification and shall be installed by the Distribution Provider. The Distribution Customer is responsible to ensure that a suitable space for such equipment is provided and maintained, and that access to a telephone line for such equipment is provided. The Distribution Customer will reimburse the Distribution Provider for newly installed Automated Meter Reading Equipment for its costs and expenses.

7. **Dual-Fuel Facilities**

The Distribution Provider assumes no responsibility for the adequacy of dual-fuel or other standby facilities and shall not be liable for any loss, damage or expense, direct or indirect, which may be incurred by the Distribution Customer, its Retail Customer, or others in connection with or as a result of any interruption of gas service.

8. **Economic Development Zone Rider**

This service is provided in cooperation with the New York State Department of Economic Development, New York State Department of Labor, the New York State Public Service Commission, and the local economic development zone certification board, pursuant to Article 18-B of the General Municipal Law, to assist in the revitalization of economically distressed geographic areas throughout the Distribution Provider's service territory.

This service is available to a Distribution Customer serving any Retail Customer who locates to or expands in certified economic development zones and:

- (i) Whose use is non-residential in nature; and
- (ii) Who qualifies for service under and in accordance with the provisions of this service classification; and
- (iii) Who has been certified by the local Economic Development Zone Administrator, described in Article 18-B of the General Municipal Law, as being eligible for this service; and
- (iv) Who has provided the Distribution Provider with documentation of such certification; and
- (v) Who permanently increases their usage by at least twenty-five percent.
