## GENERAL INFORMATION

### PART II - RULES AND REGULATIONS

#### 11. ADDITIONAL SERVICES (Cont'd)

##### C. METER OWNERSHIP (Cont'd)

- (4) The Distribution Customer may purchase a new meter from a source other than the Distribution Provider, provided that the meter is approved by the PSC for revenue metering in New York State and is compatible with the Distribution Provider's system. All Costs and Expenses of installing the meter, and if applicable, of removing the old meter, will be assessed to the Distribution Customer. The market or salvage value of an existing meter will be deducted from the costs assessed the Distribution Customer.

##### D. METER READ AND BILLED HISTORY DATA

The following fees will be charged to fulfill any individual request for meter read data, billed history, or both simultaneously, for a single Retail Customer service point:

- (1) No fee for the first two (2) requests within a twelve (12) month period for the most recent twenty-four (24) months of data, or for the life of the account, if less than twenty-four (24) months.
- (2) \$15.00 in total for each additional request in a twelve (12) month period for the most recent twenty-four months of data beyond two (2) requests.
- (3) \$15.00 in total for each request beyond the most recent twenty-four (24) months of data, up to and including six (6) years of available data.

##### E. RETAIL CUSTOMER CREDIT DATA

The following fees will be charged to fulfill any individual request for credit data for a single Retail Customer service point:

- (1) No fee for the first two (2) requests within a twelve (12) month period for the most recent twelve (12) months of data, or for the life of the account, if less than twelve (12) months.
- (2) \$15.00 in total for each additional request in a twelve (12) month period for the most recent twelve (12) months of data beyond two (2) requests.
- (3) \$15.00 in total for each request beyond the most recent twelve (12) months of data, up to and including six (6) years of available data.
