GENERAL INFORMATION

3. EXTENSION OF COMPANY FACILITIES TO SERVE CUSTOMER (Cont'd)

E. DELAYED USE OF FACILITIES

Whenever, at the request of an owner or occupant, a service pipe is provided through which service is not immediately desired, said property owner or occupant shall bear the entire reasonable expense of providing, placing and constructing the service pipe and accessories, but he shall be entitled to a refund whenever gas service is begun for such part of the expense as the Company is hereinbefore required to assume. Such refund shall be the cost of said service pipe and accessories, less depreciation at the rate of 3 percent per annum for the period which said pipe has been in the ground.

F. INTERCONNECTION

The Company will permit a customer to interconnect a source of natural gas to the customer's fuel lines which are interconnected with, and supplied by, the Company's distribution system providing said customer shall execute an agreement with the Company which sets forth the conditions under which the interconnection will be permitted. The agreement shall include, but not be limited to, the following:

- (1) The customer shall be responsible for the installation and maintenance at the customer's expense of the three-way valve approved by the Company at the point of interconnection, operable in only two positions.
 - (a) Flow-through of gas solely from the Company's system to the customer's fuel lines; or
 - (b) Flow-through of gas solely from the customer's supply lines to the customer's fuel lines.
