GENERAL INFORMATION

4. METERING AND BILLING (Cont'd)

H. ADJUSTMENT OF RATES DUE TO CHANGES IN COST OF GAS (Cont'd)

(7) Annual Surcharge or Refund (Cont'd)

- (c) The surcharge or refund computation shall be filed with the Public Service Commission on or before October 15 of each year to become effective with the first December billing cycle date. The initial surcharge or refund shall become effective with the first December 1976 billing cycle.

(8) Equivalent Cost of Gas Provision

- (a) In the event that, during a gas supply curtailment, the Company curtails service, pursuant to Rule 5.C.1, to any industrial or commercial customer, which has dual-fuel capability, to the extent such curtailed customer is curtailed by more than the average by which other customers in the same category are curtailed ("excess curtailment"), the Company may enter into an agreement with such curtailed customer whereby the Company will reimburse such customer each month for the difference in cost to such customer between the alternate fuel utilized by the customer in lieu of gas and the gas which would have been utilized but for the excess curtailment, the cost of gas being calculated on an equivalent Btu basis and under the applicable Service Classification.
