L.2 ECONOMIC DEVELOPMENT ZONE RIDER (Cont'd)

OTHER

A qualified customer will pay a monthly service bill at the rates and charges under this rider for all kwh in excess of a base amount of kwh established for each monthly billing period. For an existing customer, the base amount of kwh will be determined by the Company using an annual historical period. For a prospective customer, the base amount of kwh will be zero.

A qualified customer will be eligible to receive the Economic Development Zone rates until the designated ten year term expires, or until a customer's initial certification becomes invalid. The Company reserves the right to establish a means of periodically verifying the validity of a customer's certificate .
