### **General Information**

Applicable to use of service for: Class 2

This class is for seasonal customers of Fishers Island. A review of each customer's usage for the past 12 months will be done in June of each year, with each customer's winter usage (October-May) compared to their summer usage (June-September). If winter usage is less than summer usage, the customer will be charged SC 2 rates.

Character of service:

Continuous

Rate: \$8.20 per thousand gallons

A charge of \$95.00 will be imposed upon all seasonal customers who wish to have their meter removed, stored, and reinstalled during the winter months.

Terms of payment

Bills shall be rendered monthly and are due and payable by the 25<sup>th</sup> of the month. Bills not paid by the 25<sup>th</sup> of the month are delinquent and the late payment charge becomes applicable and service may be discontinued after proper notice as required by law.

Late Payment Charge

A late payment charge to be computed at the rate of 1 ½ percent per month, compounded monthly, may be applied to all balances left unpaid after the 25<sup>th</sup> of the month following mailing of the bill.

Term

Terminable by the customer upon 10 days' written notice to the company.
