

SECTION 2 - GENERAL RULES AND REGULATIONS

N. CRITICAL FACILITIES ADMINISTRATION SERVICE (Cont'd) (N)

3. Obligations of the Company (Cont'd)

- d. For circuits provided in concert with other carriers, the Company, when acting as the Prime Contractor will obtain and forward information regarding the connecting carrier's portion of the physical path of the subscribed circuit to the customer as expeditiously as possible.
- e. Provision of CFAS will be suspended in the instance of a major telephone outage. Once subscribed circuits are restored to service, the Company will make updated physical path information available to the customer within ninety days of the restoration of service upon request.

4. Rates

- a. The rates contained in the Company's tariff reflect the hourly rate that will be charged to the CFAS customer per circuit subscribed. If the Company is acting as the Prime Contractor, the customer will be billed the Company's tariff charges, in addition to those tarified charges established by any connecting carrier for the service. The Company will give the customer a good faith estimate of the time needed to perform the requested service, including the time that may be needed to obtain information from connecting carriers, if applicable. A record order charge will also apply if the customer orders CFAS after the establishment of its TSP Service.

Rate: \$136.04 per hour
