5.2.15 Direct Dialed LDMTS Rates - Option 14 (Bundle Plan)

The following intrastate/interstate rate is designed for residential users who purchase certain ALLTEL bundled service plans. The plans could include such ALLTEL Products as wireline, custom calling features, and long distance. The monthly rate for long distance will apply for all interstate and intrastate calling, up to 120 minutes per month. Calling above 120 minutes will be billed at the additional Rate Per Minute.

If a customer disconnects the minimum required components for the bundled service plans, the customer's account will be converted to the Dime All The Time Plan (see option 9 above) for all domestic long distance calls.

The following rates are applicable for all times for calls made within the State of New York where technically available.

Monthly Fee, 120 Minute Block of Time:	\$14.00
Rate Per Minute for Calling Above 120 Minutes:	\$0.14
Calling Card Calls, Rate Per Minute (No Surcharge)	\$0.70

The monthly fee and minutes apply per account not per line.

5.2.16 Direct Dialed LDMTS Rates - Option 15 (Unlimited Bundle Plan)

(N)

The following intrastate unlimited plan is designed only for residential customers who subscribe to certain other ALLTEL bundled services. Customers are also required to subscribe to an ALLTEL unlimited interstate plan, in order to be eligible for this plan. This plan is for direct dialed residential voice use only and cannot be used for long distance Internet access, telemarketing or auto-dialed calling. Customer lines associated with educational institutions (colleges, universities, etc.) are not eligible for this plan. This plan does not include multi-party conference calls, calls to 900 numbers, directory assistance, operator services, international calling and toll-free calling services. The rate for ALLTEL calling card calls under this plan will be as stated below. Taxes, fees and other charges, including the Universal Service Fund fee, apply.

For the purposes of this plan, usage of more than 2,500 minutes, combined intrastate and interstate, per month shall be considered non-typical residential use and customers will be subject to an additional \$50.00 monthly fee or moved to an alternative plan. Also, if customers disconnect the minimum required components for the bundled service plans, and/or the Company determines that the service is being used to transmit data, customers will be moved to an alternative plan.

ALLTEL reserves the right to cancel or discontinue this plan at any time.
