

SECTION 6 - MISCELLANEOUS SERVICES

G. SIMPLIFIED MESSAGE DESK INTERFACE SERVICE (cont'd.)

3. Rates and Charges (cont'd.)

c. Simplified Message Desk Interface Service per voice mail box end user.

Monthly Rate Per Customer Line		(T)
Stutter Dial Tone	\$0.50	(T)
Lamp Indicator	\$1.50	(N)

In addition, the non-recurring service order and line charges contained in Section 8 apply.

Note 1: The data link will include connection to the central office, the Input/Output Controller, the RS232, and a 202T Data Modem.

Another 202T Data Modem will be required at the customer location.

Note 2: If the data link is between exchanges, the distance is measured airline from the primary terminal location on the customers premise to the normal central office, to the distant central office, and to the distant terminal location.
