A Service Classification Nos. 1, 2, 3, or 13 Customer transferring to this Service Classification after taking Firm Service for less than five years may, in the Company's sole discretion, be required to pay all or a portion of the facility costs previously incurred for the Customer.

The Company shall not be liable in any respect for delays in the completion of such construction, absent gross negligence or willful misconduct on its part.

The Company may offer various Customer incentive programs to applicants for new service that, among other things, help the applicant defray the cost of new facilities required to provide service. These programs include, but are not limited to, cash incentives, loans, leases, and project management. The terms and conditions of current programs are set forth in the Company's Sales and Transportation Operating Procedures.

The Customer is required to furnish and install at its own expense all equipment and facilities described in General Rule III 5(B) and any other equipment that the Company may require to be installed prior to the commencement of service. The Customer shall install and maintain a dedicated telephone line, which the Company shall use to obtain a reading from automatic metering devices.
