

PSC NO. 3 GAS  
St. Lawrence Gas Company, Inc.  
Initial Effective Date: 10/01/2004

Leaf: 284  
Revision: 1  
Superseding Revision 0:

SERVICE CLASSIFICATION NO. 4

INTERRUPTIBLE SERVICE (Cont'd)

Special Provisions: (Cont'd)

1. In the event that the provision of transportation service to customer requires company to incur related charges, an amount reflecting the costs incurred by company will be added to the rate.
2. Prior to the initiation of service or extension thereof, any additional facilities, including, without limitation, metering facilities, which company deems are necessary to provide this service shall be provided at customer's expense.
3. Company will control the dispatch of such gas, and dispatch will be provided as requested by customer, if company can do so without adversely affecting service to customers with a higher service priority.
4. All service provided hereunder will be subject to interruption before interruption to Service Classification Nos. 1, 2, 3, 10 and 11. Customer or the Agent on behalf of a group of customers, is obligated to deliver the Average Daily Transportation Volume to company on each and every day of the term of the applicable gas transportation service agreement, including days on which redeliveries to customer are curtailed by company pursuant to notice therefore.

Economic Development Incentive:

Any applicant or customer who qualifies to take service under Service Classification No. 4 and is a new customer who will have gas usage of at least 20,800 therms per month or is an existing customer using at least 20,800 therms per month and who increases its gas usage by at least twenty-five percent by:

1. constructing a new facility; or
2. purchasing or leasing an existing facility that has been vacant at least six months; or
3. expanding an existing facility and:
  - whose facilities are classified by the Standard Industrial Classification Manual (1972 edition or supplements thereto) as Manufacturing (Major Group 20 through 39 Division D) and:
