## SERVICE CLASSIFICATION No. 24

RESIDENTIAL DISTRIBUTED GENERATION SERVICE

## APPLICABLE TO USE OF SERVICE FOR:

Consumption of natural gas by a residential Customer where the gas is used directly for distributed generation ("DG"), and the Customer is anticipated to maintain a load factor of 50% or greater for the DG facilities receiving service under this rate. The Company shall calculate the load factor for the DG facilities under this Rate Schedule at the Customer's annual contract anniversary date.

In order to qualify for this Rate Schedule the Customer must provide proof of installation of a DG unit at their residence. The Customer shall be charged for consumption during the month under rates applicable under SC 1 if the Customer's monthly usage is below 100 Ccf during the months of May, June, July, August, September, October and November; and if the Customer's monthly usage is below 250 Ccf during the months of December, January, February, March and April. The Customer will be removed from this Rate Schedule if it is determined that the Customer's DG unit is no longer in operation.
