

PSC NO.: 2 ELECTRICITY
COMPANY: ILION BOARD OF LIGHT COMMISSIONERS
INITIAL EFFECTIVE DATE: 3/1/2005

LEAF NO.: 3
REVISION: 0
SUPERSEDING REVISION: ____

CONCURRENCE

A. CONCURRENCE

The Ilion Board of Light Commissioners concurs in and agrees to abide by the rules and regulations as set forth in the generic tariff filed by the New York Municipal Power Agency ("NYMPA") in Case No. 97-E-1575.

B. TERRITORY TO WHICH SCHEDULE APPLIES

These rates, rules, and regulations are applicable to the Village of Ilion and that portion of the Town of German Flatts served under the franchises granted to the Village of Ilion.

GENERAL INFORMATION

A. MIXED OCCUPANCY CLASSIFICATION

When a Customer operates a commercial establishment (incidental to his or her residence) in the same building or on the same premises as his or her residence and takes his or her entire service through one meter, the residential classification shall apply for the entire service. Commercial accounts must be metered separately in order to be billed under the commercial classification.
