7. Assignee shall be entitled to sub-assign all or part of the service entitlement related to the Assigned Volume, together with the corresponding rights and obligations under the FT Contract, to a third party by assigning the corresponding rights and obligations under this Assignment; provided that no such assignment will relieve Assignee of its obligations to Assignor hereunder without Assignor's prior written consent, which shall not be unreasonably withheld, nor will any such assignment affect Assignor's obligation to TransCanada referred to in paragraph 6.
