E. Deferred Payment Agreement - Residential:

Generally the company will offer any eligible residential customer or applicant a deferred payment agreement with specific terms as required by 16 NYCRR 11.10 which sets forth in detail the procedures summarized here. The agreement will be made in duplicate on the form set forth in 2.XIV.J. of this tariff.

1. Eligibility:

All residential customers and applicants are eligible for an agreement unless the customer has broken an existing payment agreement which required payment over a period at least as long as the standard agreement described below, or the Public Service Commission determines that the customer or applicant has the resources to pay the bill.

2. Written offers:

A specific written offer will be made to eligible customers before the date of any threatened termination of service, where payment of outstanding charges is a requirement for reconnection or acceptance of an application for service, and when a customer has broken an agreement that was for a shorter period than the standard agreement.
