SERVICE CLASSIFICATION NO. 5 (Cont'd)AREA LIGHTING SERVICE (Cont'd)SPECIAL PROVISIONS

The numbering of the paragraphs hereunder begins with the above service classification number.

- 5.1 Where the Company cannot be assured that the business will be permanent the customer may be required to advance an amount not exceeding the cost of the lighting fixtures and other equipment provided by the Company to supply the service. Any amount so advanced by the customer shall be applied to payment of the charges for service furnished under this classification at the location where the lighting fixtures are installed until the amount of the advance payment is exhausted or a date five years subsequent to the installation of fixtures, whichever is earlier.
- 5.2 The Company shall not be required to move its facilities installed to provide service supplied under this classification to another location on the customer's premises or to replace fixtures previously installed with fixtures of a different design unless the cost of such relocation or replacement of the Company's equipment is paid by the customer.
- 5.3 The Company reserves the right to deny service where, in the sole opinion of the Company, the light could result in safety hazard, light trespass, or any other type of disturbance.
- 5.4 If in the sole opinion of the Company, Company owned facilities providing Area Lighting Service similar to Public Street and Highway Lighting Service but along private lanes, streets, roads, parking lots or other such commonly used by-ways become subject to excessive vandalism, the customer shall be required to reimburse the Company for all maintenance costs incurred as a result of such vandalism.
- 5.5 It is the responsibility of the customer to report any lamp outages to the Company. The customer will be responsible for normal monthly light charges for lamps that are out and have not been reported to the Company.
- 5.6 The customer may require that the lighting of any lamp installation be discontinued upon not less than thirty (30) days written notice to the Company. The Company shall have the right to remove all facilities serving such lamps. For each lamp removed prior to three (3) years of service, or prior to five (5) years of service for lamps which required a pole installation, the customer shall pay the difference between the Minimum Charge and the amount actually paid pursuant to the applicable monthly charge specified under Sections 1 and 2 of the Monthly Rate.
