SECTION 8 - BILLING AND COLLECTION (Cont'd)

8.2 RECORDING SERVICE (Cont'd)

For Feature Group B or 900 Access Service, C, and D Switched Access Service, the term “customer message” used herein denotes an intrastate call originated by a customer’s end user. Station message detail recording is an optional feature which provides a record of customer messages originated by MTS and WATS access lines. Such detail will be provided as part of Feature Group D end office and type of call recording service when requested by the customer. For Feature Group A switched access service, the term “customer message” used herein denotes a call over an intrastate Feature Group A switched access service. A call includes both calls originated to and terminated from a Feature Group A switched access service. The beginning and ending of a customer message are determined pursuant to the written instructions of the customer.
