GENERAL INFORMATION

16. Customer Advantage Program - General Retail Access: (Cont'd.)

E. ESCO or DC Participation: (Cont'd.)

8. Billing: (Cont'd.)

(j) ESCO/DC Reimbursement (Cont'd.)

- iv. NYSEG will calculate the amount of the ESCO's/DC's NYISO Ancillary Services bill related to Schedule 1 (as detailed in Section 16.E.8 (j) iii above) and Schedule 2, for which the Company will provide reimbursement. By the fourth (4th) business day of the month, NYSEG will provide each ESCO's/DC's hourly load, without losses and shaped to the profile by subzone, to the NYISO. NYSEG will calculate the reimbursement amounts for each ESCO/DC consistent with the NYISO billing procedures.
- v. For Schedule 3, Schedule 5, and Schedule 6 NYISO Ancillary Services, NYSEG will calculate the reimbursement amounts for each ESCO/DC consistent with the NYISO billing procedures.
- vi. NTAC: NYSEG will take the hourly load data, as described in paragraph 16.E.8(j)iv above, for each ESCO/DC and multiply such data by the NTAC rate, as supplied by the NYISO, for each hour of the month.

Effective February 1, 2001, Congestion will not be reimbursed. However, reconciliations performed under the NYISO true-up process for Congestion incurred prior to February 1, 2001 will continue to be performed.
