

PSC NY Tariff No. 5 – Telephone
PAETEC Communications, Inc.
Initial Effective Date: 10/27/2003

Section: 3 Leaf: 2
Revision: 1
Superceding Revision: 0

SECTION 3 - DESCRIPTION OF SERVICES

3.2 Charges Based on Duration of Use

3.2.8 Each call is rated and billed in whole cents according to the following conventions:

Commercial. For services offered by the Carrier any call with a fraction of a cent less than \$0.005, will be rounded down to the nearest whole cent. Any rated call with a fraction of a cent \$0.005 or greater, will be rounded up to the nearest whole cent.

Residential. Calls made using any service offered to residential Subscribers are rounded up to the nearest cent at the termination of a call.

Exceptions. Special rounding arrangements may be made through contractual arrangements.

3.3 Product Descriptions

3.3.1 Commercial Switched Outbound ("1+")

Switched outbound services provide direct dialed ("1+") long distance services to commercial Subscribers. Subscribers may also access the company's services by dialing "10XXX." Subscribers access the company's services through switched access origination.

3.3.2 Commercial Switched 800/888/877 Inbound

Switched 800/888/877 provides an inbound toll-free calling service to commercial Subscribers. Subscriber is billed for each toll-free call, rather than the call originator. Calls terminate to Subscriber via switched access lines. Customer may be billed a monthly recurring charge. Inbound toll free intraLATA calls or inbound toll free instate interLATA calls where the Company may or may not be the responsible organization and where an interexchange carrier, or an entity other than a local exchange carrier, is not involved in the switching and transport of those calls between the calling party and the Company switching center, shall be subject to the rates for inbound toll free calling as published herein.
