## GENERAL INFORMATION

13. Application for Service: (Continued)

### APPLICATION FOR STREET LIGHTING SERVICE

Date .....

The ..... of .....  
 (State, County, City, Incorporated Village or Town)  
 New York, (hereinafter called "Customer"), pursuant to the attached authorization hereby applies to NEW YORK  
 STATE ELECTRIC & GAS CORPORATION (hereinafter called "Corporation"), to furnish, install, operate and  
 maintain for the Customer an electric lighting system along the streets, roads, highways and other public places in ..  
 .....  
 .....  
 .....

Upon acceptance by the Corporation, this Application will constitute an Agreement for the furnishing of street  
 lighting service in accordance with the terms, conditions and rates set forth in the Service Classification(s) of the  
 Corporation's Electric Rate Schedule P.S.C. No. 121 or superseding issues thereof, as filed with the Public Service  
 Commission of the State of New York. This contract will be effective \_\_\_\_\_, for an initial period of five  
 years (including prior periods under contract) and thereafter until canceled by either party upon 120 days' written  
 notice to the other party of its desire to terminate this contract.

Service Classification No(s). \_\_\_\_ of P.S.C. No. 121, as now in effect, is (are) attached hereto and made a part  
 hereof.

The customer shall pay for service for the facilities installed or to be installed at the effective date hereof, as shown  
 on the Schedule of Facilities, attached hereto. Whenever the facilities installed to render the service are  
 subsequently replaced, increased or decreased, as provided in the Service Classification, the customer billings shall  
 be modified to appropriately reflect these changes. A revised Schedule of Facilities shall be provided on an annual  
 basis.
