2.5.15 Frontier Community Choice

Frontier Community Choice (FCC) is a mileage sensitive product carrying differing rates by rate band, length of contract term, and level of services billed by the Company. FCC is offered only in conjunction with carrier's interstate FCC service, wherein customer are provided with both inbound (8XX) and outbound (1+) service. Customers canceling service before the contract has expired will be required to pay a cancellation fee equal to the minimum monthly billing amount for the remaining life of the contract.
