GENERAL - Continued

2. Gas Usage

a. New Customers

The gas consumed by an applicant at a qualifying facility shall be eligible for this rate if it is demonstrated that the facility will have gas consumption in excess of 2,400 Mcf Per year.

b. Existing Customers

Incremental gas consumed by an applicant at a qualifying facility shall be eligible for this rate provided that the incremental load is 20% greater than the applicant's prior year's normalized load or 2,400 Mcf per year, whichever is less. However, such incremental gas usage will not qualify unless the incremental load totals at least 1,200 Mcf per year. To determine qualifying gas usage the incremental load will be measured against the gas consumed by the applicant normalized over the prior 12-month period.

3. Classification

Applicants who qualify for one of the following classifications pursuant to the Standard Industrial Classification Manual (1972 edition as amended) will be eligible for this rate:

- a. Agriculture, Forestry, Fishing and Mining – major groups 0-14;
