2.5.43 Frontier Destinations

Frontier Destinations State to State and Frontier Destinations Instate are long distance services that provide Customers with single per minute rates for both their inbound (8XX) and outbound (1+) switched usage. Destinations State to State and Destinations Instate are offered dependant upon the availability of Carrier capability. This plan is available to customers of local exchange companies (LECs) with whom the carrier has a billing and collections contract. This product is only available in conjunction with the respective Frontier Destinations plan from Frontier Communications of America, Inc.'s interstate Domestic Price List. If a customer selects this service, all lines pre-subscribed to Frontier Communications of America, Inc. are to be on this account level plan.

A. Rate Structure

Destinations State to State and Destinations Instate switched calls are non-distance sensitive, flat-rated, twenty-four (24) hours a day, seven days a week.

B. Usage Charges

Customers may subscribe to Destinations State to State or Destinations Instate switched service on either a Month-to-Month, one or two year Term Plan. The Customer's total monthly usage is charged at the applicable intrastate per minute rates set forth following. Frontier Destinations State to State and Frontier Destinations Instate switched inbound (8XX) and outbound service is billed in six-second increments, with a thirty-second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. To calculate rounding, the raw usage charge for the call is calculated as the call duration (minimum plus fractional duration) multiplied by the 4-digit (\$0.XXXX) rate value. That amount is then rounded up to the nearest whole cent.
