Billing and Payment Practices: (continued)

3. Account Separation Fee:

- a. If a combination customer chooses to receive a consolidated bill from a Marketer, but chooses to receive gas and electric supply service from two different suppliers (Company or Marketer/ESCO), the combination account will be separated into separate gas and electric accounts with a single bill (delivery and supply) rendered for each account.
- b. The party requesting the enrollment or change in billing arrangement that initiates the account separation of a combination account will be charged a fee of \$25.46 to separate the account. This fee shall cover the one time cost of recombining the separate accounts if required in the future.

The Company shall provide the following billing options under the Supplier Select Program for Gas Supply Service (GSS) provided by Marketers until the Consolidated Billing and Payment Practices set forth in "Appendix A" become effective:

4. **Dual Bill Option:** The Company shall perform the billing function for gas distribution service, whereby only Company specific charges will be displayed on the customer's bill. The Marketer will directly bill the customer for its services only.
5. **Pilot One Bill Option:** The One Bill Option will be available as a Pilot Program solely to Direct Voucher Customers of Onondaga County Department of Social Services (herein after called the "DSS Supplier"). The program will commence September 1, 2000 and end on March 31, 2001. This program may be expanded to include other County Department of Social Services at the sole discretion of the Company.
