SERVICE CLASSIFICATION NO. 2 (Cont'd)

GENERAL SERVICE (Cont'd)

SPECIAL PROVISIONS (Cont'd)

2.7 CURTAILABLE ELECTRIC SERVICE (Cont'd)

- f) If during any curtailment period, the customer does not reduce his demand by at least 100 Kw, the customer shall be obligated to pay a penalty equal to 50% of the monthly credit per Kw shown above multiplied by the difference in Kw between the customer's actual average integrated demand registered during each curtailment period and the customer's CBL during curtailment. Penalties will be assessed for each curtailment period during which the customer fails to reduce his by at least 100 Kw. For a period of one year beginning on the date service is initiated under this Special Provision, one grace period shall be provided to first time customers during which this penalty shall not apply. This grace period shall be applied to the first occurrence of non-compliance.
- g) A credit determined as the net result of the Curtailable Load Credit applicable under e) above, and penalty under f) above shall be applied to the customer's monthly bill.
- h) Any Customer taking service under this Special Provision shall be permitted to operate emergency generating equipment during a curtailment period to reduce his load. The customer and the Company shall agree upon the operating mode, interconnection and equipment specifications.
- I) The Company reserves the right to discontinue availability of this Special Provision to any customer whose curtailment performance is unsatisfactory, in the sole judgement of the Company. Performance will be determined to be unsatisfactory if the customer's rate of compliance with notice of curtailment is less than 50% for two consecutive Curtailment Seasons in which that customer has participated in this Special Provision. The compliance level for each curtailment period shall be defined as the customer's ability to reduce his load by at least 100 Kw.
