SERVICE CLASSIFICATION NO. 11
LOAD AGGREGATION (continued)

3. The selection of the billing option performed by the Company for each customer will be communicated to the Company by the DSS Supplier.
4. The Company will send the bill to the customer of record under either billing option specified in Paragraph 1 and 2 above. In addition under the One Bill Option set forth in Paragraph 2 above, billing data will also be transferred to the Onondaga Department of Social Services.
5. Enrollment guidelines set forth in this Service Classification, beginning on Leaf No. 187, will not apply to this program. Enrollment of customers in this program will be handled directly by the Onondaga County Department of Social Services.
6. Credit requirements set forth in this Service Classification beginning on Leaf 186 do not apply to the Supplier who participates solely in the pilot program set forth in Paragraph 2 above.
