CHARGES (CONT'D)

#### D. Contract or Jobbing Work

Construction jobbing or contract work on customer's premises such as wiring, installation of appliances or motors, or such services, the costs of which are not normally included in the Operating Property or Maintenance Accounts of MED, performed by MED will be charged for on the basis of current labor, transportation and material costs plus a charge of 30% on material and 50% on labor to cover indirect overhead costs.

#### E. Outside Contractors

Whenever it becomes necessary for MED to use outside contractors or where the need of Special Services (not normally provided for by MED personnel) are required for the convenience of the customer, MED will bill the customer actual costs plus a 5% administration charge to cover indirect costs.
