GENERAL INFORMATION

17. ADJUSTMENT OF RATES IN ACCORDANCE WITH CHANGES IN THE COST OF PURCHASED GAS
(continued)

17.4 Statement of Gas Adjustment Clause

The Gas Adjustment Clause applicable to Service Classification Nos. 1, 2 and 3 computed as herein, will become effective the first day of the calendar month following the computation date, provided however, that the Gas Adjustment Clause will be prorated based on the days in the customer's billing cycle. The Gas Adjustment Clause will continue in effect until changed. Not less than three (3) days prior to any change in the Gas Adjustment Clause resulting from this provision for adjustments of rates according to changes in the cost of purchased gas, a statement of the Gas Adjustment Clause will be duly filed with the Public Service Commission apart from this rate schedule. The statement shall contain the service classifications to which the rate adjustment applies, the base cost of purchased gas, the present average cost of purchased gas, the date at which and the period for which the present average cost of purchased gas was determined, the amount of adjustment per Therm, the date when the increase or decrease in rates shall become effective and the period that the rate adjustment will remain in effect. Such statement will be available to the public at Company offices at which applications for service may be made.
